Read.

From the Director, Adi Dravidar Welfare Letter R.C. No. J1/23728/2023, Dated:20.09.2023

ORDER:-

The Government of Tamil Nadu had proposed to create a common platform for all scholarship schemes (both Central and State schemes) implemented by the State of Tamil Nadu to eliminate multiple applications, interface and minimized workflows for seamless and inclusive scholarship delivery. Hence, to fulfil the above objectives Tamil Nadu e-Governance Agency has proposed **Tamil Nadu State Scholarship Portal** (TNSSP). The Tamil Nadu e-Governance Agency (TNeGA) as the nodal agency for IT applications for the Government of Tamil Nadu had been entrusted with the project of developing a common portal / platform for the State Scholarships. The State Scholarship portal encompasses various modules and features that streamline and automate processes related to student information, admissions, course registration, academic records, financial management, human resources, etc. and significantly streamline and enhance the process of disbursing scholarships to deserving students across the State.

2. The Tamil Nadu State Scholarship Portal combined all the scholarship schemes across the State to provide scholarship to the school and college students studying in Govt, Govt Aided, Self-Financing and Private Institutions with the help of the Stake holders. The Stakeholders of Tamil Nadu State Scholarship Portal are Higher Education Department, School Education Department, Health and Family Welfare Department, Agriculture Department, LAW Department, Animal Husbandry Department, Fisheries Department, Labour and Employment Department, Adi Dravidar and Tribal Welfare Department, Backward Class Most Backward Class and Minorities Welfare Department, Differently Abled Department, Social Welfare Department and Revenue Department.

3. Tamil Nadu State Scholarship Portal derive data from the EMIS (Educational Management Information System) and UMIS (University management Information System) portals. The UMIS is the common portal that stores the information of the students pursuing higher education. The above portal will serve as a comprehensive platform that validate the genuineness of student data through interface like EMIS, NPCI, Aadhaar, e-Sevai, etc., UMIS

will act as a decision support system and help the State to make data driven decision through reports, analytics, dashboards etc.,

4. In the letter read above, the Director, Adi Dravidar Welfare has sent the proposal which describes the objectives and benefits of building State Scholarship Portal in the State. He has also furnished the orders requested by the TNeGA is as follows: -

"The thought process and vision of SSP is to enable an enabling environment for higher education in the State. Although the software application has been developed by TNeGA, the real stakeholders are Higher education department and various institutions under them and all the scholarship providing departments / institutions. The number of stakeholders is too many and requires day-to-day coordination. Hence, it is necessary to create a mandate State Scholarship Platform (SSP) through big data tools among all the stakeholders. Hence, the following orders are sought from the Government in this regard"

I. To designate the Adi Dravidar Welfare department as the nodal department to own and implement the State Scholarship Platform through big data tools to be developed by TNeGA.

II. To implement the predictive model of scholarship delivery through the State Scholarship Portal through big data tools for all scholarship schemes of the State (including Central and Centrally Sponsored Schemes) spread across all welfare departments in a phased manner from the academic year 2023-24 onwards.

III. To implement all the 51 schemes (as mentioned in the annexure) and any scholarship schemes in near future through State Scholarship Portal.

IV. To undertake Third Party Audit on Beneficiaries, security & Data protection, Databases, Processes, impact assessment on periodic basis. In addition, the Audit should be comprehensive such that no eligible student should be missed out and no ineligible student should enter the portal.

5. Now, the Government after careful examination has decided to implement the State Scholarship Portal and to designate the Directorate, Adi Dravidar Welfare as a Nodal Department for coordinating with various Departments to implement all the Central / State Scholarship schemes listed in Annexure I and any other scholarship schemes in near future through State Scholarship Portal from the year 2023-2024 onwards with the help of TNeGA. The Departments are requested to implement the respective schemes in the State Scholarship Portal as per the roles prescribed in the Annexure II of this order.

6. This order issued with the concurrence of Information and Technology department in its U.O No.5714227/IT/2023, Dated:23.11.2023
